

K-Love radio station has provided me and my family with moral and spiritual support 24-7. K-Love is listen all over my area specially by young people who are seeking real meaning to life. We also find help through the prayer line offered by K-Love. This is not just a radio station but a real aid for people in need of support and encouragement. Please don't take away this shinning light from my family and those who had been changed for good by K-Love.
